Adam and Veronica Reed would like to welcome
you to Santé

A Votre Santé

A French toast meaning “to your health”

Santé is located in historic downtown Matthews. 165 North Trade Street was originally home to various businesses since the 1880's including a barber shop offering Saturday night baths for gentlemen. In 1996, the building was placed on the National Register of Historic Places.

In March of 2001, executive chef Adam Reed and his wife Veronica Reed took over what was formerly The Hidden Garden Restaurant and re-named it Santé in honor of Adam's French heritage. Adam has extensive experience in fine dining beginning with his apprenticeship at René Pujol's in New York City and including working as sous chef at the famous Russian Tea Room and at Maxim's in New York City.

We hope you enjoy your dining experience.
